By signature below, I acknowledge the Patient, or whomever is named as the "Financial Responsible Party" below, will be responsible to pay the usual and customary fee for all medications, products and services provided to the Patient by the Pharmacy at the direction of the facility administration and staff and attending physician(s). If I disagree with any medication, product or service directed by the facility or an attending physician, I will contact them and resolve the issue(s) and ask them to provide different written direction to the Pharmacy. I acknowledge and agree that the Pharmacy provides medications, products or services based upon the most current written direction received by it.

For Patients receiving benefits from an insurance company (referred to in this agreement as a Pharmacy Benefits Manager "PBM"), I am aware that the Pharmacy will bill the PBM for all medications, products and services covered by the PBM and that the Patient or Financial Responsible Party will be responsible for any co-payments that may apply and/or for the payment for all medications, products and services provided by the Pharmacy that are not covered by the PBM. Should home health and/or hospice services and supplies be arranged, I understand that Medicare will not reimburse the Patient or Financial Responsible Party or my supplier and the Patient or Financial Responsible Party will be responsible for those costs as well.

The invoice will show all charges billed, payments received, and any adjustments required to the Patient's account over the previous billing period, plus any balance forward. Full payment shall be made within 15 days of the date the monthly statement is issued. Any account balance over thirty (30) days past due shall accrue interest on the account balance and the late fee at the rate of 1.5% per month until paid in full. If the account balance has not been paid within sixty (60) days of any invoice, the Pharmacy has the option to discontinue providing additional medications, products or services to the above-named Patient. Regardless of whether the Pharmacy still provides medications, products or services to the Patient, if the Pharmacy is required to pursue legal action to collect any balance due on behalf of the Patient, the Financial Responsible Party shall pay reasonable attorney and collection agency fees and costs incurred in successfully collecting any amounts due and owing hereunder.

I will remit payment in full upon transfer of any prescriptions. I understand that the Pharmacy can provide for regular automatic payments from an established checking or savings account or to a credit card. If I elect an automated payment method, I will sign a separate authorization form, but understand that the terms and conditions of this agreement will still apply. Any account that has a payment returned for insufficient funds or closed account will receive a twenty-five dollar (\$25.00) fee.
